**Subject:** Re: Suspension – Notice of Amended Complaint & Request for Paper-Based Discovery

Dear Deputy Attorney General Jaremback,

I acknowledge receipt of your November 13, 2025 email. After further review of the record and of New Jersey's civil-procedure rules, I have elected **not to pursue an administrative hearing** and will instead rely solely on the action presently pending in the Superior Court, Law Division, Mercer County.

Accordingly, please note the following:

1. **Amended Complaint** – Within the next few days I will file a **Verified Amended Complaint** that expressly:

- Withdraws the request for an MVC administrative hearing;
- Refines the statutory and constitutional claims (due-process, equal-protection, and statutory-interpretation violations); and
- Sets out the precise relief sought—including a declaratory judgment, injunctive relief, and damages.

The amended pleading will be served on the State in accordance with **N.J.R.C.P. 4:6-2**.

2. **Paper-Based Discovery** – I intend to rely on the court's **standard discovery schedule** rather than a joint conference. Accordingly, I request that MVC:

a. **Preserve** all electronically stored information (ESI) and hard-copy records described below, consistent with Rule 4:6-2(e).

b. **Produce** the following documents **upon the court's order** (or, if MVC wishes to avoid a formal order, within twenty (20) business days of the filing of the amended complaint):

- All internal policies, manuals, directives, and standard operating procedures governing **submission of hearing-request or suspension-appeal filings** (including any electronic-submission guidelines, if any).
- Complete logs, tracking records, and correspondence evidencing **every hearing-request submission** received by MVC—by mail, email, fax, or electronic portal—from **January 1, 2020 through the present**.

• All communications between MVC and the New Jersey Department of Transportation (DOT) concerning the routing of hearing-request emails to DOT addresses.

• The **chain-of-custody record** for the mailing of my own hearing-request (date mailed, date received, date scanned, docket entry, and any internal notes).

• Any complaints, grievances, or internal investigations filed by other motorists alleging the same "mail-only" filing requirement.

• Training materials, memos, or guidance provided to MVC staff on handling hearing-request submissions. Should any portion of the above be subject to a privilege claim, please furnish a **detailed privilege log** in accordance with Rule 4:6-2(c).

3. **No Conference Request** – I respectfully decline a scheduling conference. All discovery disputes, if any, will be presented to the court for determination. I anticipate that the judge will issue a discovery order after reviewing the pleadings; I will comply promptly with any such order.

11/15/25, 9:39 AM

**4. Interim Relief** – Given the immediate hardship caused by the suspension (loss of employment, inability to obtain medical care, and severe financial strain), I will shortly move for a **preliminary injunction** (or a stay of enforcement) under **Rule 4:6-2(b)**. I ask that MVC refrain from taking any further adverse administrative action while the court considers that motion.

**5. Preservation Notice** – Please treat this correspondence as a formal **litigation hold** notice. All relevant ESI, paper files, voicemail recordings, and metadata must be retained in their original form until the matter is fully resolved.

I will serve the amended complaint on the State within the statutory timeframe and will file a notice of service thereafter. Once the complaint is filed, I will file a **Request for Entry of Default** (if appropriate) and a **Motion for Discovery** consistent with the schedule set by the court.

Thank you for your attention to these matters. I look forward to the court's forthcoming orders and to receiving the documents described above in accordance with the applicable rules.

Respectfully,

/s/ *Devon Tyler Barber*

Good evening Mr. Barber.

I am the Deputy Attorney General that has been assigned to represent the New Jersey Motor Vehicle Commission (NJMVC) in the above matter. I have received your Verified Complaint and Order to Show Cause. It appears that you are interested in obtaining an administrative hearing to challenge the suspension and a stay of the suspension pending the outcome of that hearing. MVC never received your hearing request. If looks like you emailed it to a DOT email address rather than mailing it to the correct address at the NJMVC. If indeed you are interested in a hearing and stay please mail your request to the address listed on the notice of suspension, which I have placed below. Also, please let me know if you are willing to resolve the complaint if MVC give you the administrative hearing and stay of the suspension.
